SENATE No. 2371

By Mr. DiDomenico, a petition (accompanied by bill, Senate, No. 2371) of Sal N. DiDomenico and Angelo J. Puppolo, Jr. for legislation to modernize and expand availability of motor vehicle titling and registration services. Transportation.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act modernizing and expanding availability of motor vehicle titling and registration services.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 2 of chapter 90 of the General Laws, as appearing in the 2022
2 Official Edition, is hereby amended by inserting after the third paragraph the following:-

3 The registrar is hereby authorized and directed to enter into agreements on behalf of the
4 commonwealth with the duly authorized representatives of any state of the United States or the
5 District of Columbia providing for the establishment of a reciprocal cross-border electronic
6 vehicle titling and registration program that would enable a person purchasing a motor vehicle in
7 a participant state that is other than the person's state of residence to have such vehicle titled and
8 registered electronically in the person's state of residence pursuant to the rules and regulations of
9 such reciprocal electronic titling and vehicle registration program; provided, however, that,
10 notwithstanding the provisions of any other previous agreement, permit, or license in existence
11 between the registrar, the commonwealth, and other parties, no person who sells motor vehicles
12 outside of the commonwealth pursuant to the laws and regulations of the state where said

person's place of business is located shall be allowed to engage in the electronic titling and registration of motor vehicles into the commonwealth unless and until such reciprocal cross-border electronic vehicle registration program is executed and established with the commonwealth and such other state.

SECTION 2. Chapter 90 of the General Laws, as so appearing, is hereby further amended in section 31 by inserting after the first paragraph the following:

The registrar shall make no rules or regulations limiting any class of motor vehicle dealer from participation in the registry's electronic vehicle registration program solely based on the volume of transactions conducted by the dealer.

SECTION 3. Chapter 90D of the General Laws, as so appearing, is hereby amended in section 11a by inserting after the first paragraph the following:

Upon receiving notification of satisfaction of a security interest, the registrar may waive the issuance and mailing of the certificate of title to the owner or third party requested by the lienholder. If the registrar exercises this waiver, the registrar shall: (1) ensure the owner or third party can subsequently request a paper certificate of title for no fee; and (2) have a process or system established to ensure the owner or third party can effect action that would otherwise be necessary upon the paper certificate of title.

SECTION 4. Chapter 90D of the General Laws, as so appearing, is hereby further amended by striking out section 24 and inserting in place thereof the following section:

Section 24. (a) Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of the lienholder, the lienholder shall, within three days

after demand and, in any event, within ten days, execute a release of his security interest, in the space provided therefor on the certificate or as the registrar shall prescribe, and mail or deliver the certificate and release to the next lienholder named therein, or, if none, to the owner or any person who delivers to the lienholder an authorization from the owner to receive the certificate.

(b) Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of a prior lienholder, the lienholder whose security interest is satisfied shall within three days execute a release in such form as the registrar shall prescribe and deliver the release to the owner, or to any person who delivers to the lienholder an authorization from the owner to receive it. The lienholder in possession of the certificate of title shall either deliver the certificate to the owner, or the person authorized by him for delivery to the registrar, or, upon receipt of the release, mail or deliver it with the certificate to the registrar, who shall release the subordinate lienholder's rights on the certificate or issue a new certificate.

(c) If the payment in satisfaction of the security interest is in cash or by certified check, cashier's check, teller's check, intra-bank or inter-bank transfer of funds, or an electronic transfer of funds, the payment shall be considered cleared immediately upon receipt by a lienholder.

(d) Notwithstanding paragraph (a) of section sixteen, no later than January 1, 2026, the registrar shall prescribe a form or electronic process whereby a dealer can retail a vehicle for which: (i) the dealer has made payment as described in paragraph (c); or (ii) the registrar has received an electronic notification of the satisfaction of a security interest in accordance with the system established pursuant to section eleven a. The registrar shall prescribe the manner in which the dealer is to maintain, invalidate, or surrender the certificate of title upon receipt of the certificate of title for a vehicle which is retailed under this paragraph.

SECTION 5. This act shall take effect upon its passage.
