

SENATE No. 2540

Senate, June 18, 2025 -- Text of the Senate Bill making appropriations for the fiscal year 2025 to provide for supplementing certain existing appropriations and for certain other activities and projects (Senate, No. 2540) (being the text of Senate, No. 2529, printed as amended).

The Commonwealth of Massachusetts

**In the One Hundred and Ninety-Fourth General Court
(2025-2026)**

An Act making appropriations for the fiscal year 2025 to provide for supplementing certain existing appropriations and for certain other activities and projects.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to make supplemental appropriations for fiscal year 2025 and to make certain changes in law, each of which is immediately necessary to carry out those appropriations or to accomplish other important public purposes, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. To provide for supplementing certain items in the general appropriation act
2 and other appropriation acts for fiscal year 2025, the sums set forth in section 2 are hereby
3 appropriated from the General Fund unless specifically designated otherwise in this act or in
4 those appropriation acts, for the several purposes and subject to the conditions specified in this
5 act or in those appropriation acts, and subject to the laws regulating the disbursement of public
6 funds for the fiscal year ending June 30, 2025. These sums shall be in addition to any amounts

39 EXECUTIVE OFFICE OF HEALTH AND HUMAN SERVICES

40 Office of the Secretary

41 4000-1202 For the distribution of funds for fiscally strained hospitals; provided, that
42 notwithstanding any general or special law to the contrary, the executive office of health and
43 human services shall direct payments to eligible acute care hospitals in the form of enhanced
44 Medicaid payments, supplemental payments or other appropriate mechanisms; provided further,
45 that not less than \$75,000,000 shall be distributed to eligible acute care hospitals licensed under
46 section 51 of chapter 111 of the General Laws that have: (i) a public payer mix greater than 75

per cent, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; (ii) a statewide relative price less than 1.0, as calculated by the center for health information and analysis according to calendar year 2022 data published in its Relative Price and Provider Price Variation Databook; and (iii) a negative operating margin, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; provided further, that not less than \$50,000,000 shall be distributed to eligible acute care hospitals licensed under said section 51 of said chapter 111 that have: (a) a public payer mix greater than 63 per cent and not more than 75 per cent, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; (b) a statewide relative price less than 1.0, as calculated by the center for health information and analysis according to calendar year 2022 data published in its Relative Price and Provider Price Variation Databook; and (c) a negative operating margin, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; provided further, that not less than \$30,000,000 shall be distributed to eligible acute care hospitals licensed under said section 51 of said chapter 111 that: (1) have a public payer mix greater than 63 per cent, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; (2) have a statewide relative price less than 1.0, as calculated by the center for health information and analysis according to calendar year 2022 data published in its Relative Price and Provider Price Variation Databook; and (3) are not otherwise eligible for funding pursuant to the prior provisos; provided further, that not less

than \$19,000,000 shall be distributed to eligible acute care hospitals licensed under said section 51 of said chapter 111 that: (A) have a public payer mix greater than 63 per cent, as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; and (B) are not otherwise eligible for funding under this item pursuant to prior provisos; provided further, that the total payment amount to each eligible acute care hospital under this item shall be calculated based on the total amount available for the group of eligible acute care hospitals multiplied by a fraction, the numerator of which is the acute care hospital's Medicaid gross patient service revenue as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook and the denominator of which is the total amount of Medicaid gross patient service revenue for the group of acute care hospitals eligible for said amount available as calculated by the center for health information and analysis according to hospital fiscal year 2023 data published in its Massachusetts Acute Hospital Profiles Databook; provided further, that said payments shall not be used in subsequent years by the executive office to calculate any other payment to eligible acute care hospitals; provided further, that said payments shall not offset existing Medicaid or other state payments which an eligible acute care hospital may be qualified to receive; provided further, that the secretary of health and human services may require as a condition of receiving payment under this item any reasonable condition of payment that the secretary determines necessary to ensure the availability, to the extent possible, of federal financial participation for the payments, and the executive office may incur expenses and the comptroller may certify amounts for payment in anticipation of expected receipt of federal financial participation for the payments; provided further, that the executive office may promulgate regulations as necessary to implement this

item; provided further, that not later than March 2, 2026, the executive office shall submit a report to the joint committee on health care financing and the house and senate committees on ways and means detailing: (I) the schedule of payments to hospitals under this item delineated by acute care hospital, hospital system and payment amount; and (II) each hospital's intended use of funds provided under this item; and provided further, that eligible acute care hospitals shall provide the executive office with information necessary for the report.....\$174,000,000

4000-1998 For the distribution of funds for fiscally strained community health centers; provided, that for the purposes of this item, "eligible community health center" shall be defined as any entity receiving funding pursuant to 42 U.S.C. section 254b that demonstrates significant financial need based on criteria established by the secretary of health and human services in consultation with The Massachusetts League of Community Health Centers, Inc.; provided further, that not less than \$2,500,000 shall be expended to The Massachusetts League of Community Health Centers, Inc. for enhanced technical assistance including, but not limited to, the facilitation of shared service agreements; provided further, that notwithstanding any general or special law to the contrary, the executive office of health and human services shall direct payments to eligible community health centers in the form of enhanced Medicaid payments, supplemental payments or other appropriate mechanisms; provided further, that said payments shall not be used in subsequent years by the executive office to calculate any other payment to eligible community health centers; provided further, that such payments shall not offset existing Medicaid or other state payments which an eligible community health center may be qualified to receive; provided further, that the secretary may require as a condition of receiving payment any such reasonable condition of payment that the secretary determines necessary to ensure the availability, to the extent possible, of federal financial participation for

116 the payments and the executive office may incur expenses and the comptroller may certify
117 amounts for payment in anticipation of expected receipt of federal financial participation for the
118 payments; and provided further, that the executive office may promulgate regulations as
119 necessary to implement this item.....\$35,000,000

120 Department of Transitional Assistance

121 4400-1033 For the costs associated with the transition to chipped electronic benefits
122 transfer cards by the department of transitional assistance; provided, that at the direction of the
123 commissioner of transitional assistance, funds may be transferred from this item to item 4400-
124 1000 of section 2 of the general appropriations act for fiscal years 2025, 2026 or 2027; provided
125 further, that any unexpended funds available after the completion of the transition to chipped
126 electronic benefits transfer cards shall be expended on reimbursements to clients who have had
127 their federal supplemental nutrition assistance program payments stolen through electronic
128 benefit transfer card skimming, card cloning or other similar fraudulent electronically-based
129 method; and provided further, that funds appropriated in this item shall be made available for
130 these purposes through the fiscal year ending June 30, 2027.....\$15,500,000

131 Department of Public Health

132 4510-0794 For grants to reimburse municipalities for extraordinary emergency
133 medical service costs; provided, that funds in this item shall be administered by the department
134 of public health and shall be reimbursed based on eligibility criteria established by the
135 department; provided further, that not less than \$5,000,000 shall be distributed as grants to the

SECTION 3. Section 65 of chapter 3 of the General Laws, as appearing in the 2022 Official Edition, is hereby amended by adding the following paragraph:-

There shall be a Senate Artistic Upgrade and Representation Fund, which shall be used, without further appropriation, for purposes, including, but not limited to, upgrading and restoring historical and artistic qualities of quarters in the state house used by the members of the senate and its employees. The chief financial officer of the senate shall administer the fund. The fund shall consist of appropriations authorized by the general court and specifically designated to be credited to the fund; provided, however, that items authorized to be transferred under section 7M

of chapter 29 may be transferred to the fund by the chief financial officer of the senate. The fund shall not be subject to section 13A of said chapter 29 and any unexpended balance in the fund at the end of a fiscal year shall not revert to the General Fund and shall be available for expenditure in subsequent fiscal years. An accounting of all fund activity shall be reported in the annual fiscal year audit conducted pursuant to applicable senate rules.

SECTION 4. Section 40 of chapter 6 of the General Laws, as so appearing, is hereby amended by striking out subsection (d) and inserting in place thereof the following subsection:-

(d) The boards of trustees for each state-operated veterans' home may receive donations to benefit state-operated veterans' homes and the state treasurer shall receive, deposit and invest all such donations. The trustees may expend the donated funds for the direct benefit of the veterans who reside in the state-operated veterans' homes, acting as fiduciaries with the care, skill and diligence that a prudent person would use.

SECTION 5. Chapter 6D of the General Laws is hereby amended by striking out section 6, as appearing in section 5 of chapter 342 of the acts of 2024, and inserting in place thereof the following section:-

Section 6. (a) Each acute hospital, ambulatory surgical center, pharmaceutical manufacturing company and pharmacy benefit manager shall pay to the commonwealth an amount for the estimated expenses of the commission.

(b) The assessed amount for acute hospitals and ambulatory surgical centers shall be not less than 30 per cent nor more than 40 per cent of the amount appropriated by the general court for the expenses of the commission minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the commission; and (iii) federal matching revenues received for these

expenses or received retroactively for expenses of predecessor agencies. Each acute hospital and ambulatory surgical center shall pay such assessed amount multiplied by the ratio of the acute hospital's and ambulatory surgical center's gross patient service revenues to the total gross patient service revenues of all such hospitals and ambulatory surgical centers. Each acute hospital and ambulatory surgical center shall make a preliminary payment to the commission on October 1 of each year in an amount equal to 1/2 of the previous year's total assessment. Thereafter, each acute hospital and ambulatory surgical center shall pay, within 30 days' notice from the commission, the balance of the total assessment for the current year based upon its most current projected gross patient service revenue. The commission shall subsequently adjust the assessment for any variation in actual and estimated expenses of the commission and for changes in acute hospital and ambulatory surgical center gross patient service revenue. Such estimated and actual expenses shall include an amount equal to the cost of fringe benefits and indirect expenses, as established by the comptroller under section 5D of chapter 29. In the event of late payment by any such acute hospital or ambulatory surgical center, the treasurer shall advance the amount of due and unpaid funds to the commission prior to the receipt of such monies in anticipation of such revenues up to the amount authorized in the then current budget attributable to such assessments and the commission shall reimburse the treasurer for such advances upon receipt of such revenues. This section shall not apply to any state institution or to any acute hospital which is operated by a city or town.

(c) To the maximum extent permissible under federal law, and provided that such assessment will not result in any reduction of federal financial participation in Medicaid, the assessed amount for pharmaceutical manufacturing companies shall be not less than 5 per cent nor more than 10 per cent of the amount appropriated by the general court for the expenses of the

commission minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the commission; and (iii) federal matching revenues received for these expenses or received retroactively for expenses of predecessor agencies. As calculated using information from MassHealth and the all-payer claims database, each pharmaceutical manufacturing company shall pay such assessed amount multiplied by the ratio of total outpatient prescription drug spending of the manufacturer in the commonwealth to the total outpatient prescription drug spending of all manufacturers within the commonwealth.

(d) To the maximum extent permissible under federal law, and provided that such assessment will not result in any reduction of federal financial participation in Medicaid, the assessed amount for pharmacy benefit managers shall be not less than 5 per cent nor more than 10 per cent of the amount appropriated by the general court for the expenses of the commission minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the commission; and (iii) federal matching revenues received for these expenses or received retroactively for expenses of predecessor agencies. Each pharmacy benefit manager shall pay such assessed amount multiplied by the ratio of the claims paid by the pharmacy benefit manager attributed to residents of the commonwealth for whom it manages pharmaceutical benefits on behalf of carriers to the total of all such claims paid by all pharmacy benefit managers attributed to residents of the commonwealth for whom they manage pharmaceutical benefits on behalf of carriers.

(e) Each pharmaceutical manufacturing company and each pharmacy benefit manager shall make a preliminary payment to the commission annually on October 1 in an amount equal to 1/2 of the previous year's total assessment. Thereafter, each pharmaceutical manufacturing company and each pharmacy benefit manager shall pay, within 30 days of receiving notice from

the commission, the balance of the total assessment for the current year as determined by the commission.

SECTION 6. Section 61 of chapter 7 of the General Laws, as appearing in the 2022 Official Edition, is hereby amended by striking out, in line 132, the words “March 15” and inserting in place thereof the following words:- June 1.

SECTION 7. Chapter 12C of the General Laws is hereby amended by striking out section 7, as appearing in section 21 of chapter 342 of the acts of 2024, and inserting in place thereof the following section:-

Section 7. (a) Each acute hospital, ambulatory surgical center, pharmaceutical manufacturing company and pharmacy benefit manager, shall pay to the commonwealth an amount for the estimated expenses of the center and for the other purposes described in this chapter which shall include any transfer made to the Community Hospital Reinvestment Trust Fund established in section 2TTTT of chapter 29.

(b) The assessed amount for acute hospitals and ambulatory surgical centers shall be not less than 30 per cent nor more than 40 per cent of the amount appropriated by the general court for the expenses of the center and for the other purposes described in this chapter which shall include any transfer made to the Community Hospital Reinvestment Trust Fund established in section 2TTTT of chapter 29 minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the center’s publication or dissemination of reports and information; and (iii) federal matching revenues received for these expenses or received retroactively for expenses of predecessor agencies. Each acute hospital and ambulatory surgical center shall pay such assessed amount multiplied by the ratio of the acute hospital’s or ambulatory surgical center's gross

250 patient service revenues to the total gross patient services revenues of all such hospitals and
251 ambulatory surgical centers. Each acute hospital and ambulatory surgical center shall make a
252 preliminary payment to the center on October 1 of each year in an amount equal to 1/2 of the
253 previous year's total assessment. Thereafter, each acute hospital and ambulatory surgical center
254 shall pay, within 30 days' notice from the center, the balance of the total assessment for the
255 current year based upon its most current projected gross patient service revenue. The center shall
256 subsequently adjust the assessment for any variation in actual and estimated expenses of the
257 center and for changes in acute hospital and ambulatory surgical center gross patient service
258 revenue. Such estimated and actual expenses shall include an amount equal to the cost of fringe
259 benefits and indirect expenses, as established by the comptroller under section 5D of chapter 29.
260 In the event of late payment by any such acute hospital or ambulatory surgical center, the
261 treasurer shall advance the amount of due and unpaid funds to the center prior to the receipt of
262 such monies in anticipation of such revenues up to the amount authorized in the then current
263 budget attributable to such assessments and the center shall reimburse the treasurer for such
264 advances upon receipt of such revenues. This section shall not apply to any state institution or to
265 any acute hospital which is operated by a city or town.

266 (c) To the maximum extent permissible under federal law, and provided that such
267 assessment will not result in any reduction of federal financial participation in Medicaid, the
268 assessed amount for pharmaceutical manufacturing companies shall be not less than 5 per cent
269 nor more than 10 per cent of the amount appropriated by the general court for the expenses of the
270 center minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the
271 center's publication or dissemination of reports and information; and (iii) federal matching
272 revenues received for these expenses or received retroactively for expenses of predecessor

agencies. As calculated using information from MassHealth and the all-payer claims database, each pharmaceutical manufacturing company shall pay such assessed amount multiplied by the ratio of total outpatient prescription drug spending of the manufacturer in the commonwealth to the total outpatient prescription drug spending of all manufacturers within the commonwealth.

(d) To the maximum extent permissible under federal law, and provided that such assessment will not result in any reduction of federal financial participation in Medicaid, the assessed amount for pharmacy benefit managers shall be not less than 5 per cent nor more than 10 per cent of the amount appropriated by the general court for the expenses of the center minus amounts collected from: (i) filing fees; (ii) fees and charges generated by the center's publication or dissemination of reports and information; and (iii) federal matching revenues received for these expenses or received retroactively for expenses of predecessor agencies. Each pharmacy benefit manager shall pay such assessed amount multiplied by the ratio of the claims paid by the pharmacy benefit manager attributed to residents of the commonwealth for whom it manages pharmaceutical benefits on behalf of carriers to the total of all such claims paid by all pharmacy benefit managers attributed to residents of the commonwealth for whom they manage pharmaceutical benefits on behalf of carriers.

(e) Each pharmaceutical manufacturing company and each pharmacy benefit manager shall make a preliminary payment to the center annually on October 1 in an amount equal to 1/2 of the previous year's total assessment. Thereafter, each pharmaceutical manufacturing company and each pharmacy benefit manager shall pay, within 30 days' notice from the center, the balance of the total assessment for the current year as determined by the center.

SECTION 32. Section 19F of chapter 94C of the General Laws, inserted by section 42 of chapter 28 of the acts of 2023, is hereby amended by striking out subsection (a) and inserting in place thereof the following subsection:-

(a) Notwithstanding any general or special law to the contrary, a registered pharmacist may: (i) prescribe and dispense hormonal contraceptive patches and self-administered oral hormonal contraceptives to any person, regardless of whether the person has evidence of a previous prescription from a primary care practitioner or reproductive health care practitioner for a hormonal contraceptive patch or self-administered oral hormonal contraceptive; and (ii) prescribe, dispense and administer medications used for the treatment and prevention of human immunodeficiency virus and sexually transmitted infections as defined by the department.

SECTION 33. Chapter 111 of the General Laws is hereby amended by adding the following section:-

Section 249. (a) For the purposes of this section, the definitions in section 1 of chapter 94C shall apply unless the context clearly requires otherwise.

(b) At the commissioner’s discretion, the department may authorize a pharmacy operated by the department to distribute controlled substances to health care providers and entities legally authorized to administer, possess, distribute, deliver or dispense controlled substances for the benefit of any person, whether or not the person is under the custody, care or supervision of an

agency of the commonwealth and in accordance with applicable law, including, but not limited to, applicable controlled substances registration requirements; provided, however, that such controlled substances shall be: (i) related to the provision of reproductive health care or gender-affirming health care services, as defined in section 11I½ of chapter 12; or (ii) distributed to ensure access to controlled substances needed to provide treatment in the event of a public health emergency declared pursuant to section 2A of chapter 17; and provided further, that in exercising the authority granted under this section, the department shall be exempt from obtaining a pharmacy license in accordance with section 39 of chapter 112.

SECTION 34. Chapter 118E of the General Laws is hereby amended by striking out section 6, as appearing in the 2022 Official Edition, and inserting in place thereof the following section:-

Section 6. (a) There shall be a MassHealth program advisory committee to advise the executive office on matters of concern related to policy development and matters related to effective program administration. The assistant secretary for MassHealth or a designee shall select members for the advisory committee on a rotating and continuous basis in such numbers and for such terms as the executive office deems appropriate.

(b) The MassHealth program advisory committee shall include at a minimum: (i) 1 member of the MassHealth member advisory committee; (ii) 1 member of a state or local consumer group or other community-based organization that represents the interests of, or provides direct services to, MassHealth beneficiaries; (iii) 1 clinical provider or administrator who is familiar with the health and social needs of MassHealth beneficiaries and with the resources available and required for their care, including, but not limited to, providers or

administrators of primary care, specialty care and long-term care; (iv) as applicable, 1 member of a Medicaid-participating managed care entity, including, but not limited to, managed care organizations, accountable care partnership plans, primary care accountable care organizations, one care plans, senior care options plans, the behavioral health vendor or the primary care clinician plan; and (v) 1 member of any other state agency that serves MassHealth beneficiaries, who shall serve as an ex officio, non-voting member.

(c) The executive office shall provide the committee with such staff and technical assistance as necessary to enable the committee to make effective recommendations and such financial arrangements as necessary to make possible the participation of recipient members.

(d) Annually, not later than October 1, the office of Medicaid shall report to the joint committee on health care financing and the house and senate committees on ways and means on the activities of the MassHealth program advisory committee in the previous fiscal year. The report shall include, but shall not be limited to, the names and titles of committee members, dates of committee meetings, agendas and minutes or notes from such meetings and any correspondence, memorandum, recommendations or other product of the committee's work. MassHealth member advisory committee members shall have the option to omit their names from the report.

SECTION 35. Said chapter 118E is hereby further amended by striking out section 9F, as so appearing, and inserting in place thereof the following section:-

Section 9F. (a) As used in this section, the following words shall have the following meanings, unless the context clearly requires otherwise,:

“Dually eligible” or “dually eligible individual”, a person who is not less than 21 years of age and not more than 65 years of age at the time of enrollment in a dual eligible managed care organization and who is enrolled in both Medicare and MassHealth.

“Dual eligible managed care organization”, a comprehensive network of medical, health care and long-term services and supports providers that integrates all components of care, either directly or through subcontracts, and has been contracted with by the executive office to provide services to dually eligible individuals under this section.

(b) The secretary of health and human services may establish, subject to appropriation, all required federal approvals and agreements and the availability of federal financial participation, a health care program for dually eligible individuals, aged 21 to 64 at the time of enrollment, who are dually eligible for benefits under MassHealth Standard or CommonHealth and Medicare under Title XVIII of the Social Security Act and who do not have any additional comprehensive health coverage. Under the program, the executive office may contract to provide integrated, comprehensive Medicaid and Medicare services, including medical, behavioral health and long-term support services for a capitated payment.

(c) Notwithstanding any general or special law to the contrary, the secretary of health and human services may review a request for financial solvency certification by a care delivery organization based in the commonwealth applying to serve as a Medicare plan caring for residents who are dually eligible for Medicare and Medicaid. Upon determination that appropriate financial standards, which may be the standards already in place for organizations with contracts pursuant to this section, have been met, the secretary of health and human services

shall so certify to the centers for Medicare and Medicaid services. The secretary of health and human services may require the requesting organization to pay a reasonable certification fee.

(d) Members of the MassHealth managed care program integrating care for dually eligible individuals shall be provided an independent community care coordinator by the dual eligible managed care organization, who shall be a participant in the member's care team. The community care coordinator shall assist in the development of a long-term support and services care plan. The community care coordinator shall: (i) participate in initial and ongoing assessments of the health and functional status of the member, including determining appropriateness for long-term care support and services, either in the form of institutional or community-based care plans and related service packages necessary to improve or maintain enrollee health and functional status; (ii) arrange and, with the agreement of the member and the care team, coordinate appropriate institutional and community long-term supports and services, including assistance with the activities of daily living and instrumental activities of daily living, housing, home-delivered meals, transportation and, under specific conditions or circumstances established by the dual eligible managed care organization, authorize a range and amount of community-based services; and (iii) monitor the appropriate provision and functional outcomes of community long-term care services, according to the service plan as deemed appropriate by the member and the care team, and track member satisfaction and the appropriate provision and functional outcomes of community long-term care services, according to the service plan as deemed appropriate by the member and the care team.

(e) The dual eligible managed care organization shall not have a direct or indirect financial ownership interest in an entity that serves as an independent care coordinator. Providers of institutional or community based long-term services and supports on a compensated basis

shall not function as an independent care coordinator; provided, however, that the secretary may grant a waiver permitting a provider of institutional or community based long-term services and supports on a compensated basis to function as an independent care coordinator upon a finding that public necessity and convenience require such a waiver. For the purposes of this section, an organization compensated to provide only evaluation, assessment, coordination, skills training, peer support and fiscal intermediary services shall not be considered a provider of long term services and supports.
