SENATE No. 1942

By Mr. Crighton, a petition (accompanied by bill, Senate, No. 1942) of Brendan P. Crighton and Vanna Howard for legislation relative to neighborhood stabilization and economic development. Revenue.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. 1777 OF 2023-2024.]

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act relative to neighborhood stabilization and economic development.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Paragraph (5) of subsection (q) of section 6 of chapter 62 of the General
2 Laws, as appearing in the 2022 Official Edition, is hereby amended by striking out, in lines 898
3 and 904, the figures “\$10,000,000” and inserting in place thereof the figures “\$30,000,000”.

4 SECTION 2. Subsection (5) of section 38BB of chapter 63 of the General Laws, as so
5 appearing, is hereby amended by striking out, in lines 44 and 50, the figures “\$10,000,000” and
6 inserting in place thereof the figures “\$30,000,000”.

7 SECTION 3. Section 3 of chapter 70B of the General Laws, as so appearing, is hereby
8 amended by inserting after the colon, in line 21, the following words:—“neighborhood
9 stabilization,”.

SECTION 4. Section 1 of chapter 121A of the General Laws, as so appearing, is hereby amended by replacing the definitions of “decadent area”, “sub-standard area”, and “project” with the below definitions of those terms, and inserting the following additional definitions after the definition of “project”-

“Decadent area”, an area, including a spot rehabilitation property, which is detrimental to safety, health, morals, welfare or sound growth of a community because of the existence of a building or buildings which are out of repair, physically deteriorated, unfit for human habitation, or obsolete, or in need of major maintenance or repair, or because much of the real estate in recent years has been sold or taken for non-payment of taxes or upon foreclosure of mortgages, or because a building or buildings have been torn down and not replaced and in which under existing conditions it is improbable that the building or buildings will be replaced, or because of a substantial change in business or economic conditions, or because of inadequate light, air, or open space, or because of excessive land coverage, or because diversity of ownership, irregular lot sizes or obsolete street patterns make it improbable that the area will be redeveloped by the ordinary operations of private enterprise, or by reason of any combination of the foregoing conditions.

“Sub-standard area”, an area, including a spot rehabilitation property, upon which there is a dwelling or wherein dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light, or sanitation facilities, or any combination of these factors, are detrimental to safety, health, morals, welfare or sound growth of a community.

31 “Project”, any undertaking consisting of the construction in one or more specified
32 blighted open, decadent or sub-standard areas of decent, safe and sanitary residential,
33 commercial, industrial, institutional, recreational or governmental buildings and such
34 appurtenant or incidental facilities as shall be in the public interest, and the operation and
35 maintenance of such buildings and facilities after construction. A “project” may include as
36 incidental thereto any one or more of the following:— (a) acquisition and assembly of the land
37 (and buildings and structures and other improvements thereon, if any) within a blighted open,
38 decadent or sub-standard area or areas; (b) clearance of the land within a blighted open, decadent
39 or sub-standard area or areas; (c) acquisition, assembly and clearance of land, buildings or
40 structures not in themselves blighted, decadent, or sub-standard if their inclusion is necessary for
41 the clearance, redevelopment, reconstruction or rehabilitation of a blighted open, decadent or
42 sub-standard area or areas; and (d) installation, construction, and reconstruction of public and
43 private ways, public utilities and services, and site improvements essential to the preparation of
44 blighted open, decadent or sub-standard area or areas for beneficial development or
45 redevelopment.

46 “Spot Blight Project Sponsor”, a community development corporation certified under
47 chapter 40H; a bona-fide non-profit organization, established under chapter 180 that has, in the
48 determination of the housing board, satisfactory and sufficient experience in the construction or
49 rehabilitation of residential or non-residential buildings, the creation or provision of affordable
50 housing, the restoration of abandoned property, the revitalization and improvement of
51 neighborhoods, or a similar purpose; a redevelopment authority established under chapter 121B;
52 or a partnership of two or more of any of the foregoing; that is approved under this chapter to
53 rehabilitate a spot rehabilitation property.

“Spot Rehabilitation Property”, a residential single-family home, a residential building with not more than four separate units, a commercial property under 10,000 square feet with a building or buildings thereon, or any building under 10,000 square feet with a mix of residential and commercial uses that meets the following criteria: (a) the building or buildings on the property have been vacant for the last twelve months, (b) construction has not begun pursuant to a building permit that has been issued to conduct rehabilitation of the building or buildings on the property for the purpose of making the property habitable or useable for commercial purposes, and (c) the municipality has made a determination that the building or buildings are distressed, upon consideration of the following: the building or buildings are out of repair, physically deteriorated, unfit for human habitation, or obsolete, or in need of major maintenance or repair, or because the building has been sold or taken for non-payment of taxes or upon foreclosure of mortgages.

“Spot Rehabilitation Project”, any project, the subject of which consists exclusively of spot rehabilitation properties.

SECTION 5. Chapter 121A of the General Laws, as so appearing, is hereby further amended by deleting section 7A and inserting in its place the following:-

Section 7A. A corporation organized under section three or an insurance company or a group of insurance companies or a savings bank or group of savings banks operating under this chapter or a spot blight project sponsor may purchase or lease from a housing authority, redevelopment authority, municipality or other public body real estate acquired by such authority, municipality or public body for land assembly and redevelopment or urban renewal purposes under chapter one hundred and twenty-one B, upon such terms and conditions,

consistent with this chapter, as shall be approved by the housing board and may erect and maintain a project upon the land so acquired. Such corporation shall not be required to offer its stock to the owners of the real estate within the location of the project and such owners have no preferential right to subscribe thereto; but in all other respects the provisions of this chapter shall be applicable to corporations acting thereunder and their projects.

SECTION 6. Section 11 of chapter 121A of the General Laws, as so appearing, is hereby further amended by inserting the following paragraph after the third paragraph:-

A spot blight project sponsor shall have the power, with the approval of the local municipality, to sell, exchange, give or otherwise transfer in whole or in part the land or interests therein, including air rights, leased or acquired by it under this chapter, with the buildings or other structures thereon, constituting a project or portion hereunder to any entity identified in the foregoing paragraph, or may sell or lease the spot rehabilitation property to any individual or group of individuals intending to use said property for residential use.

SECTION 7. Chapter 121A of the General Laws, as so appearing, is hereby further amended by inserting after section 18D the following section:-

Section 18E. A spot blight project sponsor may undertake on land owned or to be acquired by it one or more spot rehabilitation projects under this chapter, or acquire spot rehabilitation projects or any severable portion thereof from corporations, individuals or entities authorized to undertake or acquire spot rehabilitation projects under this chapter, and the provisions of this chapter, specifically including the powers granted by sections six A and eleven and the procedures set forth in section eighteen B shall, to the extent applicable, apply to such spot blight project sponsor and such spot rehabilitation projects, excepting the following:

(a) The term “corporation” as used in section six A, seven A, section ten, section eleven, section twelve, section thirteen, section fourteen, and section fifteen shall be deemed to mean spot blight project sponsor with respect to spot blight projects.

(b) Section three shall not be applicable to such spot blight project sponsor; and provided further, a spot blight project sponsor may undertake more than one spot rehabilitation project.

(c) Section five shall not be applicable to a spot blight project; provided, however, that the spot blight project sponsor shall submit an application for the approval of a spot rehabilitation project, in the form required pursuant to section five to the municipality for its approval.

(d) So much of section six as relates to the agreement of association shall not be applicable to such spot blight project sponsor. The first, eighth, ninth, and tenth paragraphs of section six shall not be applicable to a spot blight project. The municipality where the spot blight project is located shall have full responsibility for approval of the proposed spot blight project as set forth in the second through seventh paragraphs of section six. The municipality shall transmit its final decision to the housing board for record keeping purposes only.

(e) The second paragraph of section six B shall not be applicable to such spot blight project sponsor, except that the planning board at least fourteen days before the day of the hearing shall mail a notice to each owner of land that is within the proposed spot blight project. If service cannot be made, then service shall be made by posting a copy of the notice upon a portion of the property facing a public way, by publication of a copy of the notice in one newspaper of general circulation, and posting on the municipality’s website.

120 (f) Section seven shall not be applicable to such spot blight project sponsor.

121 (g) So much of section eight as provides that “Every such corporation shall be
122 deemed to have been organized to serve a public purpose” shall be construed to mean “Every
123 such project shall be deemed to have been undertaken to serve a public purpose”. The term
124 “housing board” as used in section eight shall be deemed to mean “municipality”.

125 (h) Section nine shall not be applicable to such spot blight project sponsor.

126 (i) The term “shall” as used in the first and third paragraphs of section ten shall be
127 deemed to mean “may” with respect to a spot blight project sponsor. A spot blight project
128 sponsor that elects to forego the tax exemptions provided under section ten shall not be required
129 to comply with the other provisions of that section, and shall not be required to obtain signatures
130 of a majority of the assessors under section six A.

131 (j) So much of section fifteen as relates to reducing the indebtedness of a corporation
132 shall apply only to indebtedness incurred in connection with a spot rehabilitation project. The
133 term “operating and maintenance expenses” shall be deemed to include rehabilitation costs,
134 including any principal and interest on loans used for the project, and costs other than direct
135 rehabilitation costs, as well as a developer’s fee to the spot blight project sponsor, which fee shall
136 not exceed 20% of the combined cost of acquisition and rehabilitation of the spot rehabilitation
137 property.

138 (k) The provisions of sections five, six A, and eleven shall, as modified by this
139 section 18E, apply to a spot rehabilitation project whether said spot rehabilitation project is in
140 Boston, Springfield or another municipality.

SECTION 8. Section 2 of chapter 21E of the General Laws, as so appearing, is hereby amended by striking section (f) within the definition of “Owner,” or “Operator”, and inserting in its place the following:

(f) A redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation, or a spot blight project sponsor pursuant to chapter 121A shall not be deemed an owner or operator if all of the following requirements are met:

(1) the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or spot blight project sponsor has acquired its portion of the site in accordance with the provisions of chapter 40F, chapter 121A, chapter 121B or chapter 121C or any applicable special acts;

(2) no act or failure of duty of the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or spot blight project sponsor or of any employee or agent thereof, caused or contributed to, or exacerbated any release or threat of release of oil or hazardous material at or from the site;

(3) the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or spot blight project sponsor satisfies all of the following conditions:

a) notifies the department in compliance with this chapter and regulations promulgated thereto upon obtaining knowledge of a release or threat of release of oil or hazardous material for which notification is required pursuant to this chapter and regulations promulgated pursuant thereto;

b) provides reasonable access to the site or portion of the site under its control to employees, agents and contractors of the department for all purposes authorized by this chapter, and to other Persons for the purpose of conducting response actions pursuant to this chapter and regulations promulgated thereto;

c) takes reasonable steps (i) to prevent the exposure of people to oil or hazardous material by fencing or otherwise preventing access to the portion of the site under its ownership or possession, and (ii) to contain any further release or threat of release of oil or hazardous material from a structure or container under its ownership or possession;

d) if there is an imminent hazard at or from the portion of the site under its control, controls the potential risk to public health, safety, welfare, or the environment at or from the site by taking immediate response actions at the portion of the site under its ownership or possession, in compliance with this chapter and regulations promulgated thereto;

e) conducts any response action undertaken at the site in compliance with this chapter and regulations promulgated thereto; and

f) acts diligently to sell or otherwise to divest itself of ownership or possession of its portion of the site in accordance with the provisions of chapter 40F, chapter 121A½, chapter 121B or chapter 121C, or any applicable special acts. Whether the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or Project Sponsor is acting or has acted diligently to sell or otherwise to divest itself of ownership or possession of its portion of the site shall be determined by considering the same criteria applicable to secured lenders set forth in subclause (iii) of subparagraph (F) of clause (5) of paragraph (c).

(4) if the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or spot blight project sponsor acquired ownership or possession of a site or portion of a site prior to the effective date of this act, the redevelopment authority, redevelopment agency, community development corporation, economic development and industrial corporation or spot blight project sponsor notifies the department of any releases of oil or hazardous material of which it has knowledge in accordance with section 7 and the regulations promulgated thereunder, and shall meet the requirements in clause (3) of this paragraph relative to such releases within six months of being notified by the department of the requirements in this paragraph.

SECTION 9. Chapter 121A of the General Laws, as so appearing, is hereby amended by adding the following sections:

Section 20. There shall be a commission to study strategies to improve the quality of the housing stock in weak markets with the goal of making these properties safer, more accessible to residents with disabilities, and more resilient to climate change. The commission's review shall include, but not be limited to---the use of guidance documents to consistently grant relief from building codes in common circumstances where appropriate; provisions to reduce the time and cost associated with obtaining variances in circumstances that are consistent with these guidance documents; dissemination of creative strategies to use new technologies to address common challenges bringing older structures up to code; the deployment of energy efficiency programs, Home Modifications Grants, elevator and sprinkler funds, and other resources to help building rehab projects in weak markets meet health and safety standards.

The commission shall consist of: 2 members of the Senate, 1 of whom shall represent a Gateway Municipality as defined in section 3A of chapter 23A of the General Laws and shall serve as co-chair; 2 members of the House of Representatives, 1 of whom shall represent a Gateway Municipality and shall serve as co-chair; 2 members appointed by the governor, 1 of whom shall represent the Massachusetts Association of Community Development Corporations; and 1 of whom shall represent the Rural Policy Advisory Commission; and 6 members appointed by the Secretary of Housing and Economic Development: one of the appointive members shall be an architect licensed to practice in the commonwealth; one of the appointive members shall be a licensed building inspector; one of the appointive members shall be a Gateway Municipality housing director; one of the appointive members shall be a fire official from a Gateway Municipality; 2 of the appointive members shall be selected after consultation with advocacy groups on behalf of persons with disabilities. The commission shall file a report of its findings and recommendations, including, but not limited to, legislative, regulatory, and procedural changes, with the clerks of the senate and house of representatives, the chairs of the joint committee on housing not later than December 31, 2025.

SECTION 10. Section 4 of chapter 40V, as so appearing, is hereby amended by inserting the following paragraph:

The report shall include, but is not limited to: identification of municipalities with approved HD zones, identification of each housing development project that has received certification, provide information about each project such as: site address, project sponsor, certification level (preliminary, conditional, or final), the range of rents for the residential units, the type of residential units and number of each type of residential unit, the total amount of

228 qualified project expenditures, the tax credit amount issued or reserved, the completion or
229 estimated completion year, and the year the credit was issue.
