Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Chapter 32 is hereby further amended by striking out section 100, as appearing in the
2 2018 Official Edition, and inserting in place thereof the following section:-

3 Pensions to surviving spouses and children of firefighters, police officers or corrections
4 officers killed in performance of duties

5 Section 100. Notwithstanding any provision of this chapter or any other general or special
6 law to the contrary, if a firefighter while in the performance of the firefighter's duties and as the
7 result of an accident while responding to or returning from an alarm of fire or any emergency, or
8 as the result of an accident involving a fire department vehicle, which the firefighter is operating
9 or in which the firefighter is riding, or while at the scene of a fire or any emergency is killed or

sustains injuries which result in the firefighter's death, or if a police officer while in the performance of the police officer's duties and as the result of an assault on the person or as a result of an accident involving a police department vehicle which the officer is operating or in which the officer is riding in the performance of the police officer's duties as a police officer is killed or sustains injuries which result in death, or if a corrections officer while in the performance of the corrections officer's duties and as the result of an assault on the person is killed or sustains injuries which result in death, there shall be paid to the surviving spouse of such firefighter, police officer or corrections officer an annual amount of pension which shall be equal to the amount of salary which would have been paid to such firefighter, police officer or corrections officer had he continued in service in the position held by the firefighter, police officer or corrections officer at the time of death; provided, however, that the amount of pension immediately payable shall be equal to the maximum salary set for the position whether or not such firefighter, police officer or corrections officer had reached the maximum at the time of death. In the event of the death of any surviving spouse eligible to receive a pension under this section, and in case there is any child of such deceased firefighter, police officer or corrections officer, there shall be paid to the legal guardian for the benefit of each such child the sum of three hundred and twelve dollars per annum in addition to a payment equal to seventy-two per cent of the pension which said surviving spouse was receiving at the time of such surviving spouse's death, such payment to be made in proportionate shares to the legal guardian for the benefit of each such child until such time as all such children have attained age eighteen or have attained age 22 if full-time students, and such payment shall continue for the benefit of such children who are over age eighteen and physically or mentally incapacitated from earning. When any such children have attained age 18, payment to that child's legal guardian shall cease and shall instead be paid to the surviving child.

60 inclusive, or under corresponding provisions of earlier laws, and subject thereto, or any
61 contributory retirement system established for the employees of any governmental unit under the
62 provisions of any special law, from the same appropriation, and in the same manner, as
63 accidental death benefits payable under the provisions of section nine; if the decedent was not a
64 member of a contributory retirement system, from the same appropriation, and in the same
65 manner, as annuities to dependents payable under the provisions of section eighty-nine or section
66 eighty-nine A.

67 If any firefighter, police officer or corrections officer is killed or sustains injuries
68 resulting in death in the manner set forth in this section, and any firefighter, police officer or
69 corrections officer was so killed or sustained such injuries while assisting another governmental
70 unit, pursuant to the provisions of subdivision (4) of section seven, the benefits provided by this
71 section shall be paid to the surviving spouse or children as provided in the preceding paragraph,
72 but the governmental unit which requested such assistance shall annually, on or before January
73 fifteenth, reimburse the governmental unit which had employed such deceased firefighter, police
74 officer or corrections officer in the amount of any benefits paid to the surviving spouse or
75 children during the preceding calendar year.

76 The presumptions created by sections ninety-four, ninety-four A and ninety-four B shall
77 not be applicable to the death of any firefighter, police officer or corrections officer for which a
78 pension is provided under this section.

81 established under section twenty, having jurisdiction in the governmental unit in which any such
82 firefighter or police officer was employed at the time of death; or by the Massachusetts Bay
