

HOUSE No. 965**The Commonwealth of Massachusetts**

PRESENTED BY:

James K. Hawkins

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the adoption of the accompanying bill:

An Act restricting the use of rodenticides in the environment.

PETITION OF:

HOUSE No. 965

By Representative Hawkins of Attleboro, a petition (accompanied by bill, House, No. 965) of James K. Hawkins and others relative to the use of rodenticides. Environment and Natural Resources.

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act restricting the use of rodenticides in the environment.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 2 of chapter 132B of the General Laws, as appearing in the 2022
2 Official Edition, is hereby amended by inserting after the definition of “Animal” the following:-

3
4 “Anticoagulant rodenticide”, any pesticide product that has a mode of action that
5 interferes with blood clotting including, but not limited to, the following active ingredients:
6 Brodifacoum, Bromadiolone, Chlorophacinone, Difenacoum, Difethialone, Diphacinonon, or
7 Warfarin.

8
9 SECTION 2. Section 5 of said chapter 132B of the General Laws, as so appearing, is
10 hereby amended by adding at the end thereof the following paragraph:-

11 The department, with the approval of the board, shall by regulation establish a process
12 and standards for the limited use of anticoagulant rodenticides by licensed applicators in public
13 health emergencies, provided that such process and standards provide for one-time indoor use in
14 a single location to address an urgent public health emergency, as determined by the state
15 department of public health and such use shall: (i) be limited to 14 days; (ii) be accompanied by
16 integrated pest management actions that include non-chemical methods and exclusionary
17 measures to control rodents; (iii) require additional labeling of anticoagulant rodenticides used,
18 including but not limited to, the name of the rodenticide clearly labeled on any bait box; (iv)
19 require written rationale for the need for anticoagulant rodenticides over other non-toxic short-
20 term alternatives; and (v) require applicators to report to the department after the 14-day
21 emergency use period and include a plan for ongoing rodent control at the location.

22 Regulations shall also include provisions for the emergency use of anticoagulant
23 rodenticides to protect drinking water supply, to control vectors for mosquito-borne illness, and
24 for emergent infectious disease control.

25 SECTION 3. Section 7 of said chapter 132B of the General Laws, as so appearing, is
26 hereby amended by adding at the end thereof the following paragraph:-

27 The subcommittee as established in section 3A of this chapter shall not register or
28 reregister anticoagulant rodenticides, except that it may register or reregister anticoagulant
29 rodenticides for emergency use, as provided by the department pursuant to section 5 of this
30 chapter.

31 SECTION 4. The department shall report annually and include on its website information
32 regarding the emergency use of anticoagulant rodenticides including, but not limited to, locations

33 where the anticoagulant rodenticide was used, the types and amounts used, the contents of
34 ongoing rodent control plans required in section 5 of chapter 132B, and relevant accompanying
35 documents.

36 SECTION 5. This Act shall take effect January 1, 2027.
