The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act relative to protecting youth by closing the synthetic nicotine loophole.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 Section 1 of Chapter 64C of the General Laws, as appearing in the 2022 Official Edition,
2 is hereby amended by striking the second paragraph and inserting in place thereof the following
3 paragraph:-

4 Whenever used in this chapter or chapter sixty-two C, unless the context otherwise
5 requires, the word "cigarette" shall include within its meaning, without limitation, little cigars
6 and smokeless tobacco; and the words "smokeless tobacco" shall mean any product containing or
7 made or derived from tobacco or nicotine, and that is intended for human consumption without
8 combustion whether chewed, absorbed, dissolved, inhaled, snorted, sniffed or ingested by any
9 other means including, but not limited to snuff, snuff flour, cavendish, plug, twist and fine-cut
10 tobaccos, and nicotine pouches. The words "smokeless tobacco" shall exclude electronic
11 nicotine delivery systems subject to tax under Section 7E of this Chapter, and also shall exclude
12 any product that has been approved by the United States Food and Drug Administration for the

13 sale of or use as a tobacco or nicotine cessation product or for other medical purposes and is
14 marketed and sold or prescribed exclusively for that approved purpose. The provisions of
15 Sections 29 to 38 of this Chapter, inclusive, however, shall not apply to smokeless tobacco, as
16 defined herein.
