HOUSE No. 3488

By Representative Flanagan of Dennis, a petition (accompanied by bill, House, No. 3488) of Christopher Richard Flanagan relative to the cost burdens of certain incentives for statewide greenhouse gas emissions limits. Telecommunications, Utilities and Energy.

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE HOUSE, NO. 3860 OF 2023-2024.]

The Commonwealth of Massachusetts

In the One Hundred and Ninety-Fourth General Court
(2025-2026)

An Act relative to tax incentives for building to NetZero Standards.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

- 1 (a) The commissioner of the department of energy resources, as established in chapter
2 25A of the General Laws, shall conduct an analysis of regulations promulgated or proposed by
3 the department pursuant to chapter 8 of the acts of 2021. The analysis shall include: (i) an
4 assessment of the increased cost burden of compliance with each regulatory provision as
5 compared to the costs in the absence of each provision; (ii) the aggregate cost burden of
6 compliance with all regulatory provisions on housing affordability; and (iii) identifying
7 incentives, subsidies and other programs that could offset increased costs of compliance with the
8 department’s regulations and cause any proposed regulations to, at a minimum, be net neutral to
9 the cost of housing production.

10 (b) The commissioner of the department of energy resources shall file a report on the
11 analysis with the house and senate chairs of the joint committee on telecommunications, utilities
12 and energy and with the chairs of the house and senate committees on ways and means not later
13 than December 31, 2026.
